Sources of Support (i.e. grants/funding)	
Word Count (excluding references, tables, figures and abstract)	

Patient Consent (if submitting a Case Report)

- Has written patient consent been obtained? (*please circle*) Yes/No
- If consent has been obtained, has this been indicated in the manuscript? (*please circle*) Yes/No

Ethical Approval

- Was ethical approval obtained for this study? Yes/No/NA
- If Yes, which committee granted the approval? _____

Has this manuscript won an award/prize e.g. for best case history or essay? If yes, please state the name of the award:_____

Author's blurb:
Please provide a blurb about your role, institution, any relevant awards related to this work, and (optional) medical specialty interests or hobbies.

Acknowledgements:

Lede:
Please provide a 30-word description of the article that highlights the most important message(s) of the article.

Abstract:
Our publication platform requires an abstract for readers to gain an idea of what the article is about before they open the full text. If your article type does not require a formal abstract, please insert your introduction instead or write "Nil" below as appropriate. Please ensure that any formal abstracts are also included in your manuscript document.

Declaration
I declare that:

- This manuscript reflects my own work and the details in this cover sheet are to my knowledge, accurate.
- All co-authors have reviewed and agree with the contents of the manuscript for submission to the NZMSJ.
- I have prepared this manuscript in accordance with the NZMSJ's Submission Guidelines.
- This manuscript has not previously been published elsewhere prior to submission to the NZMSJ, is not being considered for publication in another journal, and will not be submitted to another journal until informed of the outcome of this submission to the NZMSJ.
